DETAILED ACTION

Terminal Disclaimer

The terminal disclaimer filed on 5/10/05 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of US Patent 5,640,805 has been reviewed and is accepted.

The terminal disclaimer has been recorded.

Allowable Subject Matter

Claims 1-5 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1-5 are allowed in consideration of the Terminal Disclaimer filed 5/10/05 in anticipation of an obvious type non-statutory double patenting rejection over claims 11-14 of US 5,640,805 in view of US 4,621,733 wherein, instant independent claim-1 is encompassed by the conflicting '805 independent claim-11, and instant dependent claims 2-4 are identical to conflicting '805 dependent claims 12-14 respectively; instant dependent claim-5 citing removal of the sleeve from a support device being obvious over the teaching of the '733 reference.
